

Space Flight Adventure Camp Scholarship Application

Six camp sessions are scheduled for ages 11-15 for this coming summer. Each camp is limited to 34 students. The major criteria for receiving a scholarship are listed below. A limited number of scholarships will be available for each camp. A completed scholarship form must be received no later than two weeks before the camp date, at the address listed below, in order for your application to be considered for a scholarship. The scholarship committee will select the scholarship recipients for the summer camps. **The application must be accompanied by a completed mail-in registration form and \$100 toward the total remainder due following the award of scholarship funds.**

SELECTION CRITERIA

1) Proven interest in space science during school year. 2) Letter of recommendation from science teacher or school counselor. 3) Economic need.

CAMP FEE

We are currently offering a maximum of 50% assistance with tuition. Please indicate the amount you are requesting in the blank below (25%: \$198.75 or 50%: \$397.50)

Please indicate the amount requested here \$_____.

ARRIVAL & DEPARTURE

Camp begins on Sunday afternoon with a picnic and ends on Friday after graduation, which starts at 12:15 p.m. Campers are responsible for arranging transportation to and from Wallops Island on Virginia's Eastern Shore.

MAIL COMPLETED APPLICATION, MAIL-IN REGISTRATION FORM and \$100 TOWARDS THE TOTAL DUE TO:

Space Flight Adventure Camp
Scholarship Committee
P.O. Box 188
Atlantic, Virginia 23303

1. In the space provided, please list two of the major reasons you would like to receive a scholarship to the camp.

2. During this school year what have you done in school that would show you have created space-related science fair exhibit or written a study paper where you gathered information from the Internet in order to write on a space-science topic. These examples are just ideas. Respond in the best way you can.

3. After you graduate from high school, what would you like to do in terms of pursuing more education or a job and career?

4. Briefly describe your economic need.

5. Attach a letter of recommendation from your science teacher or your school counselor.

6. The following signatures and dates must be on this scholarship application for it to be considered complete. If any signatures are missing, the application will not be reviewed.
